

STOP GERM SPREAD WITH EXPOSURE AWARENESS

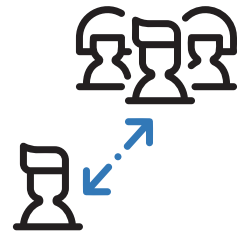

Avalon partners with Accent Systems to stop germ spread with intelligent contact tracing solutions. Establish an easy-to-manage tracing system that registers personnel contact without compromising data privacy or workflow efficiency.

Encrypted exposure awareness algorithms
Ensures data privacy

Social distancing alerts
Vibrates when 6ft distance is not met

Quick isolation
Initiate quarantine for smaller groups instead of the entire workforce

WHERE IT WORKS:

Reopening
Offices

Storefront
Operations

Warehouse and
Manufacturing

Field
Teams

Your safety matters today and tomorrow.
